Strategic Plan 2022-2024

CORE PURPOSE: To advance safe and trusted health care.

MISSION STATEMENT: To lead and represent health care risk professionals and support them with resources and knowledge to manage enterprise risk across the health care continuum

Goals

Goal 1: Advance Risk Professionals

Advance risk professionals by providing clearly defined learning pathways and valuable resources to position them to advance within their organizations.

Goal 2: Establish Authority in the Field

Establish authority in the field and drive innovation and change in the evolving health care environment by encouraging collaboration for diversity of thought.

Goal 3: Elevate the Profession

Elevate the risk management profession by leveraging AHA connections to reinforce the value of having a leadership-level risk professional as a trusted advisor.

The screenshot shows the ASHRM Exchange website interface. At the top right, there are links for 'Contact Us', 'Code of Conduct', 'About ASHRM', and 'ASHRM.org'. A search bar is located below these links. The main navigation menu includes 'Home', 'Communities', 'Directory', 'Browse', and 'Participate'. The central banner features a book cover for 'Health Care Risk Management Fundamentals' with the text: 'The essential resource for risk management, patient safety, insurance, legal, financial and other related professions in health care'. A 'Purchase Now' button is visible. Below the banner, the 'Latest Discussions' section lists three topics: 'RE: Next of kin searches' by Frank Rivera, 'RE: Suction Cannisters' by Amber Mann, and 'RE: Suicide precautions room safety check frequenc ...' by Amber Mann. To the right, there is an 'Announcements' section with an 'Add Announcement' button and a 'Career Center' section with a link to 'Clinical Risk Manager | The Oregon'.
